Dear CASLV Families,

On behalf of the staff at CASLV, I am happy to welcome you to the 2015-16 school year! We are looking forward to a productive partnership with you to ensure our students can achieve their highest potential. We recognize that in order to be successful in school, our students need support from both the home and school. We ask that you guide and support your child’s learning by ensuring that he/she:

1. Attends school daily and arrives on time, ready for the day’s learning experience
2. Completes all homework assignments given by teachers

Please consider joining our school’s volunteer program as our students can greatly benefit from your involvement and contributions to the school’s programs and its operations. We would greatly appreciate any and all help you can provide. Please contact PTO at coralacademyppto@gmail.com.

We ask that you and your student please take the time to review the student handbook, located at www.coralacademylv.org. If you have any questions about the rules and expectations, please feel free to contact your campus office or to discuss them with your child’s teacher. It is very important that you and your child are fully informed regarding standards related to appropriate behavior for a safe and productive school year.

The wonderful CASLV staff and I feel privileged to be a part of this school family. We thank you for your support and look forward to a great school year.

Sincerely,
Ercan Aydogdu
Executive Director

E-funds

In order to create an account, you will need to have access to your student's ID Number. This number can be found either on your child's report card or once you log in to Infinite Campus. You may also be able to create an account using you "family number", which is the main phone number entered into Infinite Campus. The phone number must be entered in the (702) ***-**** format in order to be recognized.

If you had an automatic payment plan in place last year you will need to switch over to eFunds.
Please help us reduce paper waste by making payments online!
If you have any questions, please do not hesitate to contact the front office of your student's campus.

Champions Extended Day

Coral Academy of Science is pleased to announce Champions as the before and after-school provider of extended day services beginning in August 2015. Champions is a great solution for busy working families, offering enrichment activities that combine fun and learning all in a safe, convenient place that you already know: your child’s school.

Weekly Tuition:

Before School $15 1-2 Days; $25 3-5 Days
After School $33 1-2 Days; $60 3-5 Days

Back to School Tips

By: Mr. Lindstrum
(Middle School Dean of Academics)

The main goal is to lower anxiety by being prepared and excited about the new school year!

- Shop for school supplies
  - With or without an official supply list, school supply shopping can help your child get excited about the upcoming year
- Connect with classmates
  - Reconnecting with school friends can help kids (and parents) see others preparing for the return to school.
  - These relationships are helpful once school begins to keep track of homework, events, transportation, etc.
- Change from a summer schedule back to a school schedule
  - It is difficult to change from no bed time to a strict bedtime in one day. Give your child time to adapt to the new schedule with incremental changes
- Plan one more special summer activity
  - During the planning, help your child understand that it is their chance to celebrate the end of summer and the start of a new school year
- Know your child
  - Some kids need more help getting excited about school and preparing, others need to help to calm down and not stress out about the upcoming changes.
  - Use your knowledge and experience to help steer them in the right direction
