Conditions

This salary schedule applies only to **teaching faculty** who hold a valid Nevada teaching license for the level or subject taught.

The implementation of this salary schedule depends on the financial standing of the school and availability of the budget.

This scale is based on the 2018-2019 budget and Impact Aid Grant . It may be revisited by the school board based on current fiscal year's budget.

It may be revisited by the school board based on current fiscal year's budget and current year's Impact Aid grant amount.

Full time teaching experience will be honored up to five years with a proof of prior employment verification.

Previously-negotiated salaries higher than the scheduled amount will be frozen until they equal up with or fall behind it.

The executive director has the discretion to move between the steps when recruiting core subject teachers.
