Welcome Note

Coral Academy of Science Las Vegas (CASLV) Centennial Hills Campus team is proud of our wide ranging program of extra-curricular activities that provide memorable experiences for our students which allow them to pursue their interests and further develop a varying range of key transferable skills.

We believe that education is a process of lifelong learning. We strongly encourage our students to get involved and to recognize the value of these activities as part of their development. We offer a wide variety of clubs and activities, during both advisory time and after school. This booklet highlights many of the exciting opportunities available to students. Please take the time to familiarize yourself with all the clubs, teams, and activities that are offered.

If you need further explanation or have questions to be answered, contact the club teacher or the administrators, Mr. Serdar at syuksek@coralacademylv.org and/or Mrs. Bleuer at nbleuer@coralacademylv.org.
After-School Club Procedures

- Students will select three clubs via an online form in order of preference and will be placed in one club based on availability.
- **Students must be registered with Champions in order to join a club.** The registration fee will be waived at registration and only will be charged if the service is utilized.
- The due date to select a club and register with Champions is Thursday, January 31st by 1 PM.
- Once notified of the club, the club fee must be paid at https://payments.efundsforschools.com/v3/districts/55920. The confirmation receipt must be presented to the club teacher at the first meeting.
- Clubs start at 2:30 PM and end at 3:15 PM. For detailed info see the club description.
- Dismissal location is listed by club on the following page. Please see the traffic plan map for the pick-up areas. Parents should park their cars and pick the children up from the dismissal area.
- Students must follow all school rules during the club time.
- Students must be picked up no later than the assigned pick-up time. Any students not picked up on time will be placed in the care of Champions at the cost to the parent.

*The clubs in red are yearlong/invitation only. You will not be able to select these clubs. If your child(ren) is/are interested in a yearlong club, please speak to the club teacher.*
Arts and Crafts: (Club limited to 20 kindergarten students)

Club Fee: $10

Description of the Club: Students will use a variety of art supplies to create different thematic and seasonal projects. Students will also have the opportunity to create open ended art pieces.

Day and Time of Club: Monday, 2:30pm to 3:15pm

Club Start Date: February 4, 2019

Teacher: Ms. Arana

Email: jarana@coralacademylv.org

Prerequisites: Kindergarten students only

Parent Responsibilities: Able to pick the students up on time and pay the club fee.

Other Info: Club will be held in Ms. Arana’s Room #103.
**Kinder Code:** (Club limited to 20 kindergarten students)

**Club Fee:** $5

**Description of the Club:** Students will be introduced to coding through code.org and begin mastering coding skills

**Day and Time of Club:** Monday, 2:30pm to 3:15pm

**Club Start Date:** February 4, 2019

**Teacher:** Mrs. Woolard

**Email:** mwoolard@coralacademylv.org

**Prerequisites:** Kindergarten students only

**Parent Responsibilities:** Able to pick the students up on time and pay the club fee.

**Other Info:** Club will be held in Mrs. Woolard’s Room 101
Team STEAM: (Club is limited to 18 first grade students!)

Club Fee: $20

Description of the Club: Each week, students will rotate through explorative centers utilizing science, technology, engineering, art & math skills. Concepts will include building, reactions, problem solving, engineering, magnets, buoyancy, motion and many more! This interactive, explorative club is perfect for the budding young creative mind! *Students that were enrolled in the Fall should NOT enroll again as the same experiments and activities will be used.*

Day and Time of Club: Monday, 2:30pm to 3:15pm

Club Start Date: February 4, 2019

Teacher: Mrs. Fillman

Email: nfillman@coralacademylv.org

Prerequisites: The club is available to first grade students only.

Parent Responsibilities: Students MUST be enrolled in Champions to participate in club. Proof of club fee payment (receipt) is due no later than the first club meeting. Receipts may be printed or sent via email to Mrs. Fillman. Late payment will not be accepted and the student will be dismissed from club.

Other Info: TEAM STEAM club will be held in Mrs. Fillman’s classroom (Room #108).
Arts and scientific colors: (Club limited to 20 first grade students)

Club Fee: $15

Description of the Club: Students will work with various coloring material and create their own projects on paper or canvas.

Day and Time of Club: Monday, 2:30 pm to 3:15pm

Club Start Date/End Date: February 4, 2019

Teacher: Ms. Schuster

Email: tschuster@coralacademylv.org

Prerequisites: 1st Grade students only

Parent Responsibilities: Able to pick the students up on time and pay the club

Other Info: Club will be held in Ms. Schuster room 102

Club limits to 20 students. Any donations of canvas, paints, watercolors, cardstock paper are always greatly appreciated.
**Board Games:** (Club limited to 20 1st and 2nd grade students)

**Club Fee:** $5

**Description of the Club:** Students will play different board games and put together puzzles. Students will have the opportunity to practice math and problem solving. At the end of the club, students will design their own game.

**Day and Time of Club:** Monday, 2:50pm to 3:30pm

**Club Start Date/End Date:** February 4, 2019

**Teacher:** Mrs. Hendrickson

**Email:** dhendrickson@coralacademylv.org

**Parent Responsibilities:** Able to pick the students up on time and pay the club fee.

**Other Info:** Club will be held in Mrs. Hendrickson’s room #212.
Math Fluency Games: (Club limited to 18 second grade students)

Club Fee: $10

Description of the Club: Students will increase their math fluency by playing games to increase their skills in addition and subtraction skills. Toward the end of the club multiplication will be introduced. Each student will receive a deck of addition and subtraction flash cards and numbered cards to use while in the club then take home upon completion of the club. The games played will be geared toward automatic recall of simple addition and subtraction facts to increase math fluency.

Day and Time of Club: Monday, 2:35 pm to 3:15pm
Club Start Date/End Date: February 4, 2019
Teacher: Mrs. Clement

Email: sclement@coralacademylv.org

Prerequisites: A love of math and a willingness to learn.

Parent Responsibilities: Pick the students up on time & pay the club fee online.

Other Info: Club will be held in Mrs. Clements Room #106.
This club is for 2nd grade students only.
STEAM Arts and Crafts: (Club limited to 20 second grade students)

Club Fee: $15

Description of the Club: Students will explore and gain a creative opportunity to create art, utilizing math and science concepts. Students will be introduced to a variety of artistic styles and implement them in the club forming unique, individual, artistic work.

Day and Time of Club: Monday, 2:30pm to 3:15pm

Club Start Date: February 4, 2019

Teacher: Mrs. Davis

Email: kdavis@coralacademylv.org

Prerequisites: 2nd Grade students only

Parent Responsibilities: Able to pick the students up on time and pay the club fee.

Other Info: Club will be held in Mrs. Davis’s Room #107.
**Reading Workshop Club:** *(Club limited to 20 second grade students)*

**Club Fee:** $25 (Price of books – Yearlong)

**Description of the Club:** We will read the same book and discuss the different sections of the books we read, all the students will learn reading strategies to help them increase their fluency and understanding of what they read. While they are having fun reading books that interest them, they will be becoming better readers, which affects all aspects of school life. There is also a contest called “Battle of the Books” that students can participate in, it is not mandatory though. **The club is year-long.**

**Day and Time of Club:** Monday, 2:45pm to 3:15pm

**Club Start Date/End Date:** September 11, 2018 - May, 2019

**Teacher:** Mrs. Wilson

**Email:** dawilson@coralacademylv.org

**Parent Responsibilities:** Pick up students promptly on time, pay the dues at on time. Please make sure your student reads the assigned reading material each week so they know the information and be able to participate in the discussions.

**Other Info:** Club will be held in Mrs. Wilson’s Room #105. Club is only for 2nd grade students. Book donation is always appreciated.
Social Game Club - INVITE ONLY

Club Fee: 0

Day and Time of Club: Monday, 2:35 pm to 3:15pm

Club Start Date/End Date: February 4, 2019

Teacher: Mrs. Matthews

Email: rmatthews@coralacademylv.org

Prerequisites: INVITE ONLY

Parent Responsibilities: Pick the students up on time.

Other Info: Room 202
**Tiffany(like) Lamp Making:** (2\textsuperscript{nd} through 5\textsuperscript{th} grade students)

**Club Fee:** $25 (cost of electrical and art supplies)

**Description of the Club:** 2\textsuperscript{nd}, 3\textsuperscript{rd}, 4\textsuperscript{th}, and 5\textsuperscript{th} grade students will create their own working Tiffany(like) lamps using tissue paper, acetate, water bottles, paint, glue, liquid leading, wiring, and light sockets.

**Day and Time of Club:** Monday, 2:30 pm to 4:30 pm
(Please note the extended time.)

**Club Start Date/End Date:** *February 25, 2019 until April 8, 2019* (unless extra weeks are needed to finish the lamps)

**Teacher:** Mrs. Miller

**Email:** amiller@coralacademylv.org

**Prerequisites:** Creativity, neatness

**Parent Responsibilities:** Able to pick the students on time. Understand the later pick up time to allow for longer chunks of time to work. Supply a wide, empty, nice-looking, throw-away, 1 liter bottle (Gatorade and Powerade bottles work very well.) Please bring it to the first day of class.

**Other Info:** Club limits to 20 students
Typing Club: (Club limited to 20 second and third grade students)

Club Fee: $0

Description of the Club: The instructor will be teaching and training students to become efficient typers. Students will be working on enhancing their keyboarding typing skills through online interactive programs, and simple guided instruction. This club will benefit students by providing them with a skill that may be useful to them throughout their lives. It will also help prepare them for writing tasks that they will encounter when taking online standardized tests.

Day and Time of Club: Monday, 2:30 p.m. to 3:15 p.m.

Club Start Date: February 4, 2019

Teacher: Ms. Castro
Room: 203

Email: gcastro@coralacademylv.org

Prerequisites: Elementary level basic computer navigation skills

Parent Responsibilities: Able to pick the students up on time or have their child enroll in the Champions after school care program.

Other Info: Please email me if you have further questions.
Puzzles & Games Club: (Club limited to 20 3rd-4th grade students)

Club Fee:  $10

Description of the Club: Students will put together puzzles of varying difficulty and/or play board games independently, with a partner or with a small group facilitated by the teacher. Students will learn and practice problem solving skills, analytical thinking, strategy, reading and math. Socially students will also learn good sportsmanship conduct and teamwork.

Day and Time of Club: Monday, 2:45pm to 3:30pm

Club Start Date/End Date: February 4, 2019

Teacher: Mr. Gourley

Email: jgourley@coralacademylv.org

Prerequisites: 3rd -4th Grades

Parent Responsibilities: Able to pick the students up on time and pay the club fee.

Other Info: Club will be held in Mr. Gourley’s Room #201. Pick up will be on east side of campus near Champion’s Entrance

Club limits to 20 students. Any donations of games and/or puzzles are always greatly appreciated.
JEOPARDY Game Club: (Club limited to 20 students in grades 3rd through 5th.

Club Fee: $10

Description of the Club: This students will play Jeopardy just like on television! Students will be contestants. To play the game, contestants will receive the clue first, and then must phrase their answer in the form of a question. Students will test their knowledge and skill in STEAM topics.

Day and Time of Club: Mondays, 2:35pm to 3:15pm

Club Start/End Date: 

Teacher: Ms. Roth

Email: jroth@coralacademylv.org

Prerequisites: Students must like the game show.

Parent Responsibilities: Able to pick the student up on time.

Other Info: Club will be held in Ms. Roth’s classroom #204.
Origami Club

Club Fee: $25

Description of the Club: The Origami Club is an after school club that is for students from 3rd through 7th grades. Pupils will be learning the ancient form of paper folding, along with various techniques, can create animals, 3D origami, and so much more.

Scholars will benefit and enhance their eye-hand coordination, patience, pride, perseverance, logic, sequencing thinking, hands on interaction, and attention skills. This keeps pupils engaged, advances math skills, improved temporal spatial perception, problem solving abilities, and applying formulas to real-world structure, and science (STEM - science, technology, engineering, and math). It is also calming and fun!

Prior students are welcome.
No fee for prior students provided they have paper. Students will do different creations.

Day and Time of Club: Monday, 2:30pm to 3:15pm

Club Start Date: February 4, 2019

Teacher: Mrs. Cohen

Email: jcohen@coralacademy.lv.org

Prerequisites: Grades 3-7. Students must be able to fold paper

Parent Responsibility: Pick up students on time, sign up with Champions, and pay club fee.

Student Responsibility: Students are responsible for bringing and taking care of their materials.

Other Info: The club is limited to 20 students. Teacher is not responsible for any lost or damaged materials. Any additional donated supplies will always be much appreciated.
**Student Government & Council: (Limited to students elected in Fall 3rd-7th grade students)**

**Club Fee:** $20 fee paid in Fall - $0 due for Spring. Year long. Student Council is an organization conducted by students and supervised by adults. The purpose of the student council is to give students an opportunity to develop leadership by organizing and carrying out school activities and service projects. In addition to planning events that contribute to school spirit and community welfare, the student council is the voice of the student body. They help share student ideas, interests and concerns with the school wide community.

The function of the student council is based upon parliamentary procedures. Ideas are presented, voted upon and confirmed by the student body president. Any student that is interested in leadership, organizational behavior, event planning or becoming more involved in the school are welcome to become involved.

**Day and Time of Club:** Day and Time TBA – Try to avoid conflict w/other clubs

**Club Start Date:** Week of September 10th

**Teacher:** Mrs. Waits

**Email:** hwaits@coralacademylv.org

**Prerequisites:** 3rd to 7th Grade students interested will fill out application and abide by rules and guidelines stated in Bylaws. Grades and behavior standards must be met.

**Parent Responsibilities:** Able to pick the students up on time. May require additional fees (TBD at later date w/ plenty of notice) and possible attendance/transportation to off site location/event.

**Other Info:** Will be held in Mrs. Waits’ Room #209. Will consist of the following elected positions:

**Student Government** – President, Vice President, Secretary and Treasurer TBD after Council Established.

**Student Council:**
- 4 from 4th grade
- 3 from 5th grade
- 6 from 6th grade
- 4 from 7th grade
Think Outside the Box: Club limited to 4th and 5th grade students.

Club Fee: $15

Description of the Club: The purpose of the club is to inspire students to think in flexible new ways, in a fun and engaging environment. Students will attempt to solve all types of puzzles, riddles, logic problems, and brain teasers by thinking outside of the box.

Day and Time of Club: Tuesday, 2:35 pm to 3:15pm

Club Start Date: February 4, 2019

Teacher: Mr. Dunnavant

Email: rdunnavant@coralacademylv.org

Prerequisites: 4th and 5th grade students only.

Parent Responsibilities: Pick the students up on time & pay the club fee.

Other Info: Club will be held in room 206.
**Elementary Science Olympiad:** (Club limited to twelve 4th & 5th grade students)

**Club Fee:** $5

**Description of the Club:** Science Olympiad is an after school club for 4th, and 5th graders who are interested in competing in a spring Science Olympiad tournament. This is designed to attract and retain students interested in entering science, technology, engineering, and mathematics (STEM) degrees and careers. The challenging and self-motivating events align with the Next Generation Standard Study (NGSS). The events are designed to enhance and strengthen both science content and process skills. Club sessions expose students to a variety of science areas and help prepare them for specific events. Teamwork is valued during these hands-on, interactive, and inquiry-based activities.

**Day and Time of Club:** Thursday, 2:30 pm to 3:15pm

**Club Start Date:** February 7, 2019

**Teacher:** Mrs. Sampson

**Email:** jsampson@coralacademylv.org

**Prerequisites:** 4th and 5th Grade students interested in science. **Invite only**

**Parent Responsibilities:** Able to pick the students up on time

**Other Info:** Club will be held in Mrs. Sampson Room # 207

Club limited to 10 students. Any donations of additional materials and supplies as needed are always greatly appreciated. Saturday competitions will be scheduled in the Spring.
Math Olympiad/Noetic Math: Club limited to 32 4th – 7th grade students

Club Fee: $20 (In order to be used for registration to the contests.)

Description of Club: Math Olympiad/Noetic Math are math problem solving contests for teams in grades 4 through 6. Students will work on challenging math problems and then take five monthly contests, administered from November through March for Math Olympiad and two contest dates for Noetic Math. The five Olympiad contest dates are: November 13, December 11, January 15, February 12, and March 5. The Noetic contest dates will be on a day falling during November 8-21 and April 4-18.

Day and Time of Club: Tuesday from 2:35-3:30

Club Start and End Dates: September 11-April 20

Teacher: Mrs. Santo Pietro and Mrs. Rivas

Email: msantopietro@coralacademylv.org and erivas@coralacademylv.org

Prerequisite: Must be invited to join

Parent responsibilities: Able to pick students up on time and have students there for the mandatory test dates which are not on regular club days.

Other Information: Club will be held in Mrs. Santo Pietro’s room, room # 205.
The Secret Science Behind Cake Design: (Club limited to 12 4th through 7th grade students only)

Fee: $20 (materials fee)

Description of the Club: This club is about science and the role it plays in cake design. This is not an eating or baking/cooking club. We will learn techniques, but not make or use real cakes. We will practice the learned techniques by working with rolled icing, gel colors, sugar, styrofoam, box cutters, a shared heat source, and other kitchen tools.

Topics covered
Various chemical reactions when heat is applied to sugar;
Hidden physical structures necessary to support multi-tiered cakes;
Color wheel and combinations to create custom icings and patterns;
Physics behind balanced and asymmetrical cake design;
Collaboration with customers to bring a vision to life;
Aesthetics of design;
Pastry Chef secrets that no one tells you!

Day and Time of Club: Monday, 2:35 pm to 3:15 pm

Club Start Date: February 4, 2019

Teacher: Ms. Trafton

Email: atrafton@coralacademylv.org

Prerequisites: Current 4th-7th grade students. Please bring a notebook and pencil.

Parent Responsibilities: Be able to pick up the students on time and pay $20

Other Info: Meet in Ms. Trafton’s Room #208
**FLL Robotics Club: (Club limited to 16 4th – 7th grade students)**

**Club Fee:** $120

**Description of the Club:** In our FLL Robotics Club, students will work collectively to learn about the First Lego League’s core values and participate in competition(s) around our Las Vegas valley. Students will also gain experience with robot engineering and design, as well as programming as they complete various challenges with peers on a team. Note that this club will require some Saturday participation and competition(s) around November/December. Please email Mr. Upton with questions if you need any clarity on this club.

**Day and Time of Club:** Mondays, 2:30pm to 3:45pm

**Club Start Date:** February 4, 2019

**Teacher:** Mr. Upton

**Email:** bupton@coralacademylv.org

**Prerequisites:** 4th - 7th grade students interested in the design process, programming, and growing and implementing creative problem-solving strategies.

**Parent Responsibilities:** Able to pick the students up on time and pay the club fee.

**Other Info:** **Please note that demand is high for this club and it fills quickly. Club limited to 16 students. Any donations of additional materials and supplies as needed are always greatly appreciated. Saturday practices and other events may be scheduled at a later date. More information can be found at the following link:** [https://www.firstinspires.org/robotics/fll/challenge-and-season-info](https://www.firstinspires.org/robotics/fll/challenge-and-season-info) Club will be held in Mr. Upton’s Room # 215.
Band Club: (Club limited to 24 4th-7th grade students)

Total Cost: $45 -70
Book: $10

Students will need to purchase a band book for about $10 ($20 percussionists) which will be sold in class. Essential Elements 2000 Book 1 (for their specific instrument).

Instrument Rental: $25-$50.00/month

Students will need to provide their own instrument in working condition. Instrument rental and purchase options will be discussed in class. Most reputable music stores in town rent instruments. I recommend Music & Arts or one of their affiliates for instrument purchase or rental. The cost of instrument rental is usually between $25.00-$85.00/month.

Music Stand: $10 (folding)

Students will need a music stand to use in class and at home. The folding stands are portable and can be carried back and forth from home to school. Or you can store the music stand in the music room at school.

Description of the Club: Description of the Club: This club is designed for 4th-7th Grade Students with or without experience on a band instrument. No prior musical experience is necessary. The ultimate goal is to start a Middle School Concert Band by Fall 2019-2020. The instruments offered are: Flute, Clarinet, Alto Saxophone, Trumpet, Horn, Trombone, Baritone/Euphonium, and Percussion. The number of percussionists will be limited and decided on during the 1st few weeks of the club. The main focus of beginning percussionists will be on learning the xylophone. Students are given the opportunity to try different instruments before they choose one to focus on. Students will perform in at least one concert near the end of the Spring 2019 Semester.

Day and Time of Club: Mondays from 2:30 PM to 3:15 PM

Club Start Date/End Date: February 4 ,2019

Teacher: Mr. Borders

Email: cBorders@coralacademyLV.org

Prerequisites: The club is available to 24 4th-7th grade students

Parent Responsibilities: Pick the students up on time & supply instrument, book, & music stand.

Other Info: Beginning Band Club will be held in Mr. Borders Music Room
**Mobile APP Club** *(Club limited to 24 5th-7th grade students)*

**Club Fee:** $30

**Description of the Club:** This club is designed to be an introductory course for any student who wants to explore the process of designing and building apps for mobile devices. It is designed to introduce students to the tools, methods and opportunities in the app development field. Students apply all of the knowledge and skills they have acquired to design and create a mobile app solution for a personal or community problem. They apply the design process and computational thinking skills to decompose the problem into smaller modules. Following user-centered design principles, they design and create an appropriate user interface and program the app to produce the desired behavior.

**Day and Time of Club:** Friday, 2:35 pm to 3:20pm

**Club Start Date/End Date:** February 4

**Teacher:** Mr. John Aytac

**Email:** jaytac@coralacademylv.org

**Prerequisites:** The student must be able to read independently and follow directions

**Parent Responsibilities:** Pick the students up on time & pay the club fee.

**Other Info:** Club will be held in Mr. John’s Room #109. Club is only for 5th through 7th grade students. Club limits to 24 students.
Dungeons and Dragons Club (Club limited to 18 5th-7th grade students)

Club Fee: $5

Science Olympiad: (Club limited to 18 6th – 7th grade students)

Club Fee: $20

Description of the Club: Science Olympiad is an after school club for 6th, and 7th graders who are interested in competing in a spring Science Olympiad tournament. This is designed to attract and retain students interested in entering science, technology, engineering, and mathematics (STEM) degrees and careers. The challenging and self-motivating events align with the Next Generation Standard Study (NGSS). The events are designed to enhance and strengthen both science content and process skills. Club sessions expose students to a variety of science areas and help prepare them for specific events. Teamwork is valued during these hands-on, interactive, and inquiry-based activities.

Day and Time of Club: Monday, 2:35pm to 3:15pm

Club Start Date: February 4, 2019

Teacher: Ms. Fallon

Email: cfallon@coralacademylv.org

Parent Responsibilities: Able to pick the students up on time and pay the club fee.

Other Info: Club will be held in Ms. Fallon’s Room # 214

Club limited to 18 students. Any donations of additional materials and supplies as needed are always greatly appreciated. Saturday competitions will be scheduled in the Spring.
School Climate Leadership Team (Available to 6 middle school students)

Club Fee: $5.00

Description of the Club:
The School Climate Leadership Team (SCLT) serves to empower students as they navigate their middle school careers. Topics may include servant-leadership, service-learning, problem solving, handling conflict, communication skills, resiliency, self-esteem, peer-social relationships, and intrinsic motivation. SCLT may assist with organizing or hosting guest speakers, school events, and serving as presenters. SCLT members serve as peer leaders and mentors, and model positive, constructive behavior to support a positive school climate that promotes a safe and respectful learning environment.

Day and Time of Club: Mondays, 2:30 PM - 3:15 PM

Club Start Date/End Date: February 4, 2019

Teacher: Ms. M., School Counselor

Email: lmilicevic@coralacademylv.org

Prerequisites: In 6th or 7th grade. An interest in servant-leadership, service-learning, and modeling positive behavior. Comfortable speaking and co-presenting in front of other students in classrooms or at assemblies; comfortable hosting and introducing guest speakers. Teacher permission to participate in school events during instructional time.

Parent Responsibilities: Ability to pick-up students at 3:15 PM, and pay the club fee of $5.00.

Other Info: Club will be held in school counselor’s office.
