MISSION STATEMENT

The mission of Coral Academy of Science Las Vegas (CASLV) is to provide a safe, rigorous, college preparatory environment that promotes social responsibility and a culturally diverse community dedicated to becoming lifelong learners bound for success.

SCHOOL BELIEFS

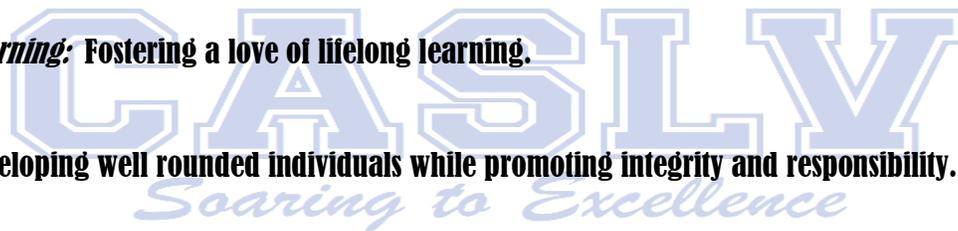

C – Challenge: Every student is challenged to enhance character and fulfill his/her academic potential.

A – Acceptance & Achievement: Accepting the diversity of our peers and achieving goals beyond ourselves.

S – Safety: Providing a safe learning environment that sets boundaries to allow students to achieve greatness.

L – Lifelong Learning: Fostering a love of lifelong learning.

V – Values: Developing well rounded individuals while promoting integrity and responsibility.

INTRODUCTION

To achieve our mission, every member of CASLV must respect the right to learn for all members of the community. This can be accomplished by creating an environment that is physically, emotionally, and intellectually safe, orderly, and conducive to learning. The information in this handbook provides guidelines for behaviors and attitudes that will assist in creating and sustaining a positive environment, enhancing the opportunity for each student, parent, and teacher to contribute and learn.

CHAIN OF COMMAND/COMMUNICATION

When issues or concerns arise with a teacher, staff member or administrator, students and parents are encouraged to address the situation with the person involved first. For example, if the student and/or parent/guardian are unsure of a decision made in the classroom about a consequence given for a behavior, the student and/or parent/guardian should discuss the situation with the **teacher first**. If after this discussion, the student and/or the parent/guardian feels the situation is unresolved, it should be brought to the attention of the campus Administration. If after speaking with the administrator, the student and the parent/guardian still have concerns, the parent/guardian should contact the Executive Director. The school board would be the next avenue of communication.

Teachers and staff are available through email, phones, and in person by appointment. Due to the busy schedules of the teachers and administration, parents are asked to not "drop in" for appointments, but to set up a meeting in advance.

PARENT/GUARDIAN COOPERATION

CASLV considers the cooperation of parents/guardians to be critical in the overall success of its students. That means the school expects and insists that parents/guardians conduct themselves as role models, displaying the type of behavior that CASLV expects of its students. In signing this Handbook, each parent/guardian agrees that while on campus grounds, interacting with any student, faculty, or staff, chaperoning a field trip, or attending any school activity, the parent/guardian will adhere to all relevant aspects of this Handbook, with the sole exception of the

provisions (e.g., the dress code) which obviously only apply to CASLV students. In the event of a parent/guardian's serious violation of this Handbook, CASLV reserves the right to disallow the parent/guardian from entering its campuses and/or attending school events—among other appropriate legal remedies.

UNIFORM AND PERSONAL APPEARANCE

CASLV enforces a strong uniform policy. The purpose of this policy is to (1) aid in the creation of a safe and orderly environment; (2) instill discipline; and (3) eliminate the competition and distractions, often caused by varied dress styles. The student will be expected to arrive in uniform every day. The student should cooperate, display modesty and neatness, and take pride in his/her uniform. The school relies on parent and/or guardian support in maintaining the student's uniform. If a student has a religious, health/disability, or other reason for requesting a temporary or permanent deviation from this uniform policy, please communicate it to the campus Principal in writing and reasonable accommodations will be discussed.

PLEASE BE AWARE!

If a student arrives at school out of uniform, his/her parents will be called and consequences will be issued by 9am. The student might be kept out of class until he/she is dressed appropriately. If the student's parents cannot be reached by phone parents notification may be made by email. All class time missed will count as an unexcused absence.

GRADING SCALE

CASLV uses a standard scale for the assignment of letter grades, quarterly and yearly. Instructors establish the grading policies and procedures corresponding to this scale.

Credit will not be issued for grades below 59.45%.

| | | | | |
|---------------------------------|-----------------------------------|-----------------------------------|-----------------------------------|-------------------------------------|
| 89.45-100% = A (4.0) | 79.45-89.44% = B (3.0) | 69.45-79.44% = C (2.0) | 59.45-69.44% = D (1.0) | 59.44 or below = F (0.0) |
|---------------------------------|-----------------------------------|-----------------------------------|-----------------------------------|-------------------------------------|

MIDDLE SCHOOL GRADE PROMOTION POLICY

Per CASLV policy, to "pass" a class a student must attain, minimally, a semester grade point average (GPA) of 1.0(D) in EACH of the four-core subjects: English, Social Studies, Mathematics, and Science. Students failing a core class and not successfully completing summer school may be retained in his/her current grade level.

HIGH SCHOOL GRADUATION POLICY

A student entering high school after completion of the 8th grade is assigned to the 9th grade. A student may not begin 9th grade if he/she has not met the 90% attendance requirement in the 8th grade. In addition, students entering 9th grade must have successfully completed at least four semesters of English/Language Arts and at least four semesters of Math, three semesters of science and two semesters of social studies in the 7th grade and 8th grades. In order to advance from 9th to 10th grade, a student must have earned a minimum of five (5) credits. A minimum of eleven (11) credits is required to reach grade 11 and at least seventeen (17) credits must be earned for a student to be assigned to grade 12.

REPORT CARDS/PROGRESS REPORTS

Report cards will be sent home at the end of each grading period. Report cards/progress reports will also be available through the Infinite Campus Parent Portal. A user name/password is required to retrieve this information, which may be obtained from the school registrar.

ACADEMIC PROBATION

Any student who has a grade lower than 70% for any class at the end of any quarter grading period will be placed on academic probation until they have raised their grade on the next grading report. A letter will be mailed home explaining this to the student's parents. Students are to attend tutoring in the class(es) they failed. Membership in any club will be suspended and students will not be allowed to attend any social/non-academic events. Students will be required to meet with the school Academic Assistant Principal to develop an improvement plan. A parent conference may be required.

PRINCIPAL'S LIST

Students who earn an overall GPA of 4.0 will be placed on the Principal's List of Academic Excellence. These students will earn a luncheon with the Principal at the end of the first semester.

BEHAVIOR PLANS

Students who experience repeated discipline problems will be placed on behavior plans. These plans are designed to help modify the student's behavior (which ultimately benefits all students). Built into the plan are more severe consequences for repeated offenses. Expulsion may result if the student is not successful in changing his/her misbehaviors. It is the school's intention that the behavior plan will put the student on a positive path that will help him/her be successful at CASLV. Note that a student might not be eligible for a behavior plan, but may be immediately suspended or expelled, for certain serious or dangerous offenses.

COUNSELING PROGRAM

CASLV offers a comprehensive counseling and guidance program addressing personal/social, career, and academic needs for all grades. Students may sign up to see the guidance counselor at any time to discuss personal concerns and social skills. Career and college planning lessons will be provided by the college/academic advisor at various times throughout the school year depending on grade level, need etc. The counseling program provides the following resources:

- Academic advising
- College planning resources
- Scholarship information
- SAT/ACT test dates and materials
- Career planning resources
- Conflict resolution
- Family resources
- Counseling resources

Students who wish to see the guidance counselor or academic advisor may receive a referral from their teacher or sign up at their office. Parents are welcome to make an appointment to see either the counselor or the advisor. All information discussed with the counselor or advisor is confidential except when it involves student safety or the safety of someone else. CASLV adheres to the National Counseling Standards.

ILLNESS AND INJURY POLICY

CASLV has a first-aid trained professional available. When injured or if a student becomes ill, inform school personnel immediately. It is critical that the student follows the procedure of informing his/her instructor, or going to the front office immediately. A student should not come to school when he/she knows that he/she is ill. If the student is too ill to come to school, parents should notify the school in writing. Missed homework should be requested by the student from the teacher upon the student's return. It is the student's/parent's responsibility in any occurrence of absence to obtain missed work from the teacher(s). The student will have the number of days missed to complete the homework without a decrease in the grade.

MEDICATION POLICY

This policy concerns all medications, including both prescription and over-the-counter medicines (e.g., aspirin, Tylenol, etc.). Medication should not be sent to school unless it is required that the student takes it during the day, or if it is imperative that the student has access to it, for example, for an allergic reaction. If the student must have medicine at the school, these procedures must be followed:

- CASLV Staff must dispense the medication.
- Medications are to be sent by a physician's office or brought to school by the student's parent/guardian in original packaging with a prescription label
- **Medications are not to be brought in by the student himself/herself under any circumstances.**
- The school must receive a "Medication Directions Form" (available at the front office) that is signed by the student's physician and parent/guardian.

The medication container must have the following information clearly printed on it:

- Student's Name
- Name of the medication

- Dosage
- Time the medication must be taken

In the case of prolonged need, send in the amount for a clearly specified period, such as one week or one month.

Extra medication will not be sent home with the student. The student's parent or guardian must pick all medication up at the end of each school year. . All medications are kept in a secure location at the front office.

Students are not allowed to carry any prescription medications with them to school. Aspirin, Tylenol, and other patent drugs *are not* available from school. If the student needs to take over-the-counter medications such as the above, he/she must bring a note from his/her parent authorizing the use, dosage, and the quantity sent of this medication. The parent or guardian must sign a "Medication Self-Administration Form" along with a physician's note indicating the student's need to take at school; the student's medication will be available for him/her in the office.

A student may only carry and administer his/her medication if these two conditions are met:

- It is warranted by a potentially life-threatening condition and advised by his/her physician
- A "Medication Self-Administration Form" is signed and on file in the office

LOST AND FOUND

If the student finds books, clothing, or personal items on the school grounds, he/she should bring these items to the office lost and found area. If the student loses something, he/she should check the lost and found area located in the MPR. Students should be sure to check the lost & found for lost items regularly because all collected items will be donated to a local charity monthly.

TEXTBOOKS

CASLV provides the student with a textbook for each of his/her classes. A \$50.00 refundable textbook deposit is due upon enrollment. CASLV holds the student and parent responsible for the condition of the textbook issued to him/her. The student must ensure that his/her books are not lost, stolen, damaged, or defaced, as he/she will have to pay to replace books that are damaged or lost. The student may keep textbooks used during the year. When textbooks are distributed, the student should make sure to write his/her name in the appropriate place. Teachers will write down the number of the textbook the student has and the condition of the book. When the student returns the book, its condition will be verified. A cover on the books is highly suggested. All textbooks not turned in or severely damaged will be charged to the family at the end of the year.

OFFICE TELEPHONE

In case of emergency, the student should go to the office with a pass from his/her teacher. Please note that the office phone is not available for students to use for personal calls unless it is an emergency. Ask an administrator for assistance in case of emergency.

CELL PHONES AND PERSONAL TECHNOLOGY

Personal technology and communication devices, such as cell phone, headphones/earbuds, or tablet computers, are utilized in many ways and are becoming a component of the education setting. At school, it is critical that student only access personal technology and communication devices when allowed and only for the intended purpose. Cell phones or other similar devices should be turned off and stored in backpacks during school hours. Students are allowed to use personal technology and communication devices during scheduled nutrition or lunch breaks as well as before and after school. Students using or appearing to use cell phones or other items in a similar way (i.e. tablets, Facebook, Google, Hangout, Snapchat, as well as, other similar devices) in the building or at inappropriate times will have their cell phone or other similar device confiscated. No streaming videos are allowed on school premises without administration approval. The student's parent must pick up the phone/device at the front office after school the day it is confiscated. If a student has his/her cell phone/device confiscated more than once, other consequences may be given, such as afterschool detention. The administration has the right to search through cell phone/device content if inappropriate activity is suspected.

PARENTS AND VISITORS

CASLV suggests parents volunteer regularly to help enhance their child's education. Parents can volunteer at PTO meetings, in the classrooms, in the cafeteria, at tutoring, during after-school clubs, etc. Before volunteering, parents and visitors must complete and submit a Confidentiality Agreement form as well as current fingerprint cards. CASLV must conduct a background check. Volunteers are cleared if they have a satisfactory background check. Parents

wishing to observe their child's classroom must make arrangements with and receive approval from the classroom teacher(s) and administration at least 24 hours in advance. Visitors (peer age) interested in the educational aspects of CASLV are always welcome, but must adhere to the following procedure. Students wishing to bring a visitor to CASLV must have his/her parents call or bring a note and receive permission from the Dean of Students. Permission must be given at least one school day in advance. No visitors will be allowed the last two weeks of each quarter, on testing days, nor during the week prior to any school holiday.

LUNCH PERIODS

CASLV is a closed campus. This means the student must remain at school for the entire school day, which includes the recess and lunch period. The student may bring a packed lunch or order a lunch through our school lunch program. If the student has a special situation please meet with an administrator. During the lunch period, the students will be expected to display good manners and courtesy towards others. The students must eat only in the designated lunch area and stay in his/her seat until dismissed by the supervisor on duty. The student will be expected to clean up his/her area and dispose of all trash appropriately. All glass containers are prohibited on campus and will be confiscated. The supervisor on duty during the lunch period will hold the student responsible for his/her behavior.

PUBLIC AREAS: HALLWAYS AND BATHROOMS

Students are expected to adhere to the following guidelines when using common areas:

- Eat only in the cafeteria or other area as designated by staff.
- Chewing gum is strictly prohibited anywhere on campus.
- Maintain orderly conduct. Walk in all areas of the school to maintain safety.
- Use appropriate language during school hours and school-sponsored activities.
- Refrain from excessive noise such as yelling, screaming or other noises while in these areas.
- Help keep the school clean by picking up after yourself and putting your belongings in their proper place.
- Respect others' personal space and keep your hands to yourself, even in play.
- Students may not leave the classroom without permission from the classroom teacher.
- Vandalism, littering, or graffiti in the school is prohibited and should be reported.

Consequences will be given for failure to follow any of the above-mentioned guidelines.

The student should report any leaks, spills, or other problems in the bathroom to a CASLV Staff member

SCHOOL ACTIVITIES

CASLV offers a range of activities, which enrich student learning both during and after the school day. For student safety and the safety of others, specific rules apply to these activities.

FIELD TRIPS

Field Trips offer exciting ways to learn. CASLV students have the opportunity to go on field trips at various times throughout the school year. Throughout the course of a field trip, students must adhere to the following:

- Permission slips must be signed by the parent or guardian and submitted to the classroom teacher by the specified date. **Phone calls and emails will not be accepted as permission.**
- Students must wear school uniform, unless otherwise specified.
- Abide by all CASLV rules and policies while on the field trip.

The classroom teacher will provide permission slips to students prior to each field trip giving specific information.

CHAPERONES

Parents are encouraged to participate as chaperones on field trips. We expect any parent chaperone to work collaboratively with the teacher(s) coordinating the trip to ensure that students are safe and that they are behaving in accordance with the CASLV codes of student conduct. Parent chaperones are expected to assist the teacher and to uphold any policies or procedures set forth by the teacher. Parents willing to be chaperones must fill out a Chaperone Form and have completed the background check required for all parent volunteers.

AFTER-SCHOOL ACTIVITIES

CASLV offers various after-school activities to enrich the student's education. Such involvement provides ways for the student to engage in activities he/she already enjoys and provides opportunities to experiment with other areas that may interest him/her. If the student remains at CASLV for an after-school activity, he/she will be expected to follow these rules:

- The student must be with a teacher or other staff member at all times.
- The student must arrange for his/her own transportation to pick up promptly at the end of the activity.
- The student must abide by CASLV's behavioral expectations while participating in the activity. Inappropriate behavior will result in dismissal from the activity/club.
- The student may not stay after school to wait for another student.
- Once enrolled in a club, students must commit to regular attendance. Three or more unexcused absences from the club may result in withdrawal from that club.
- All students must be picked up within 10 minutes of the activity ending, after which they will be signed in to afterschool care at the parents' expense

All students who are not in a club, after-school activity, afters-school care, or have made a special arrangement with a teacher, must be picked up no later than 15 minutes after standard dismissal. **A full list and description of after school clubs and activities will be posted on the website or available at the front office.**

ATTENDANCE

The Nevada Department of Education requires that the student attend school regularly in accordance with the laws of the State (**NRS 392.122.**) The success of the student's educational program at CASLV is largely based upon his/her daily presence, which ensures the continuity of instruction and classroom participation. The administration, faculty, and staff of CASLV expect the student to be in class, on time, and to be prepared to work.

Promoting and fostering consistent student attendance requires a commitment from the administrators, teachers, parent(s)/ guardian(s), and students. No single individual or group can successfully accomplish this task. Members of CASLV's professional staff will do all they can to encourage and support student attendance. This ranges from creating a pleasant and safe physical environment to providing meaningful learning experiences and opportunities in every class. State law requires professional staff to:

- Keep accurate attendance records of excused and unexcused absences.
- Incorporate defined, daily participation as part of the teaching/learning process for each grading period.
- Require student accountability by ensuring you complete work you have missed including homework, projects, quizzes, tests, and other assignments.

Per state law, there is a 90% attendance requirement. Students must not miss more than 10% of the school year (18 days - excused or unexcused absences). If a student has a medical condition, which makes him/her miss more than the policy allows, Parents/guardian must arrange a meeting with administration to discuss alternative education options. **The student is also required to have all missed work completed per the school make-up work policy.** Students who do not meet these two conditions and miss this much instruction may be retained in the current grade.

ABSENCES

CASLV recognizes two kinds of absences and tardiness: excused and unexcused. Please read through the following definitions carefully, in order to understand what the student and parent/guardian responsibilities are. It is imperative students understand the requirements regarding missed homework, quizzes, and tests, as well as the consequences of unexcused absences. **After all absences, a note or an email from a parent or doctor must be submitted within three days of the student's return to school in order for the absence to be excused.**

UNPLANNED ABSENCES

The parent or guardian must provide the school with a written excuse within three days of the student's absences. Failure to do so will result in the absence being marked unexcused. An acceptable excuse for absence from school may be approved for one or more of the following reasons or conditions: personal illness, illness in the family, and/or death of a relative.

ANTICIPATED ABSENCES

Anticipated absences including but not limited to: observance of religious holidays, professional appointments, family vacations, should be communicated in writing to attendance office in a timely manner to discuss alternative education options.

- Whenever a proposed pre-arranged absence (5 or more days) is requested, it **must be submitted at least one week in advance**, and parents must discuss it with the classroom teacher and administrator. The length of the absence should be made clear, and those involved should have an opportunity to express their views on the potential effects of the absence.
- Parents/students should speak with each teacher to receive assignments and materials that can be completed ahead of time or during the absence to minimize make-up work upon return to school. A teacher is not under any obligation to give this work. It is an extra allowance that may be provided by the teacher. Preparing for classes is very time consuming and could change from week to week.

MAKE-UP WORK FOR EXCUSED ABSENCES

An absence from school, even for several days, does not excuse the student from responsibilities in the classroom on the day of the student's return. If the student has an excused absence, he/she will be given the same number of days that he/she was absent to make up missed work. For example, if the student is absent three days, he/she will have three days to make up missed work.

On the day the student returns to school, it is his/her responsibility to find out what work is required and when the work needs to be completed.

If the student is absent for school-related reasons or for an anticipated or planned absence, he/she must make arrangements with the teacher(s) for assignments prior to the absence. For students with excused absences, make-up tests will be scheduled at a time designated by the teacher. It is the student's responsibility to take the test at that time. If the student fails to do this, the teacher is **not** obligated to set another time for the make-up. If the student fails to make up a test without making other arrangements, the teacher will be responsible for deciding whether or not he/she may reschedule.

UNEXCUSED ABSENCES

An unexcused absence **does become** a part of the student's school record. The student will be marked "**unexcused**" if he/she:

- fails to have parent bring a written note or email upon return to school.
- leaves school without signing out-of-school at the office.
- is absent from class without permission - including walking out during class.
- is absent from school without parental permission.
- gets a pass to go to a certain place, but do not report there.
- is absent for reasons not acceptable to the administration.

The absence will be noted as "unexcused" after three days without notification.

MAKE-UP WORK FOR UNEXCUSED ABSENCES

If the student has an unexcused absence, his/her grade(s) in a class or classes may be affected in one, or all, of the following manners, **depending upon the decision of the instructor and administration.**

- The student **may be given partial credit for work made up from an unexcused absence.**
- For repeated occurrences, the student **may** be required to meet with administration and a parent conference will be arranged.

TRUANCY

According to NRS 392.130, truancy is defined as **being absent from school without written approval** from a parent/guardian unless the student is mentally or physically unable to attend school. Truancy shows a deliberate disregard for the educational program and is considered a serious matter that will have immediate consequences.

If the student is truant:

No credit will be recorded for work the student misses as a result of truancy.

- A letter will be sent home notifying the parent/guardian of the truancy situation.
- A record of the truancy will be entered into the student's file.
- A conference with the student's parents will be held.

HABITUAL TRUANCY

According to NRS 392.122, CASLV shall consider a student "habitually truant" when, in spite of warnings and/or the parent's efforts to ensure attendance, the student has accumulated ten consecutive days or fifteen total days of unexcused absences within a semester. A meeting will be held with the administration and parents in order to determine if the student will continue to attend CASLV. After ten consecutive absence days, if a parent has not contacted the school, the student will be withdrawn from enrollment at CASLV.

TARDINESS

Per attendance regulations, school time missed due to tardiness could contribute to a student's total absences. Any student arriving at school after the designated start time is considered tardy. Parents must sign in their child upon arrival. Excessive tardiness may result in a parent conference with administration.

Consequences:

- Four to nine tardies per semester: Parent/Guardian will be contacted
- Ten to fourteen tardies per semester: Loss of privileges will be given (4.0 Luncheon, Principals lunch, field trip, etc.)

EARLY DISMISSAL OF STUDENTS FROM SCHOOL

CASLV is very concerned about student safety and well-being and thus, an early dismissal from school is an important issue.

All instances of requests for early dismissal will utilize the following precautions:

- An administrator may release the student before the end of a school day only upon presentation of a written or face-to-face request by the parent/guardian.
- The student may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent/guardian to act on his/her behalf.

The student will not be released from school to any government agency without a proper warrant or written parental permission, except in the event of an **emergency as determined by the administration.**

STUDENT CONDUCT AND DISCIPLINE

The goal of CASLV is to help students fulfill their intellectual, social, physical and emotional potential. Everything in and around the school has been designed to create an orderly and distraction-free environment in which all students can learn effectively and pleasantly. To foster this kind of learning environment, the CASLV administration and teachers shall not allow the following types of behavior during school, on school property, at or during any school-sponsored activities, and to and from school.

All school consequences shall be imposed at the reasonable discretion of the Administration and (if expulsion is at issue) CASLV's Board. A student may receive in-school suspension, out-of-school suspension, expulsion, or any other consequence deemed appropriate. Notwithstanding the consequences listed in individual Handbook sections below, the Administration has the discretion to impose lesser or greater penalties or sanctions for any particular conduct, depending upon the totality of the circumstances at issue, including mitigating and aggravating circumstances, the student's prior offenses, and other reasonably relevant factors.

The Administration will maintain a discipline tracking system for all students. The nature of the unacceptable behavior and the designated consequences for each infraction will be listed and tracked.

As approved by campus Administration, students can leave campus to wait for their parents at a designated area outside the school or to walk home. Otherwise they need to be in extended care. It is not the responsibility of the

school to maintain student safety when they are off campus. However, if any offense or behavioral incident occurs off campus, the administration may address the issue in accordance with the student handbook if it is deemed that student safety is jeopardized at school.

Everything cannot be covered in this handbook; therefore, for types of behavior not covered, immediate action and consequences will be given in a fair and consistent manner as deemed by the Administration. Second, third, and subsequent offenses will result in an increase of the severity of the consequence, if necessary. For repeated minor negative behavior, students may be placed on a behavior plan (explained earlier in handbook) or referred to the discipline committee (discussed later in the handbook), directed by the Administration and comprised of the school counselor and various instructors. In the instance that a behavior plan is not signed by both parent and student, the behavior plan will still be effective.

UNACCEPTABLE BEHAVIORS

WEAPONS

Weapons include, but are not limited to, conventional objects such as guns, pellet guns, knives, smoke bombs, fireworks, or club type implements. Mace, tear gas, or other chemicals are also included. A "toy weapon" presented as a real weapon may also be considered the same as a real weapon. 5. Repetitive - a repeated, even systematic act over time.
6. Verbal (such as threatening or intimidating language, teasing or name-calling, or racist remark as defined by Anti-Defamation League, 2003. Human Rights Campaign Foundation, 2012. INTERNET ADMINISTRATION POLICY

The Internet is used to support learning and to enhance instruction. Computer networks also allow people to interact with many computers. It is a general policy that all internet connected devices are to be used in a responsible,

efficient, ethical, and legal manner. Failure to adhere to the policy and the guidelines below will result in the revocation of the user's access privilege. Unacceptable uses of the computer include:

1. Violating rights to privacy.
2. Using profanity, obscenity, or other languages that may be offensive to another user.
3. Reposting (forwarding) personal communication without the author's prior consent.
4. Violation of copyright law.
5. Using the network for financial gain, for commercial activity, or for any illegal activity.
6. Damaging any part of the school network system.

The person in whose name an account is issued is responsible at all times for its proper use. Users must not give a password to another user. Users should change passwords frequently.

As the Internet provides connections to other computer systems located all over the world, users (and parents of users, if the user is under 18 years old) must understand that the school does not control the content of the information available on systems not related to CASLV. Some of the information available is controversial and, sometimes, offensive. The school does not condone the use of such materials.

RESPONSIBLE USERS *MAY UNDER SUPERVISION*

- Use the Internet to research assigned classroom projects.
- Use the Internet to explore other computer systems.

RESPONSIBLE USERS *MAY NOT:*

- Use the Internet for any illegal purpose.
- Use impolite or abusive language.
- Violate the rules of common sense and etiquette.
- Change any computer files that do not belong to the user.
- Send or get copyrighted materials without permission.
- Users must not give their password to anyone.
- Use the Internet to send email to other users.
- System operators will have access to all user accounts, including email. If any person does not follow the rules above, the use of the network will be revoked.

TECHNOLOGY MISUSE OR ABUSE

Technology at school is for the benefit of all students. No student may purposefully or recklessly tamper with school technology. Abuse and or misuse of technology also includes uploading viruses, downloading inappropriate material, checking or sending personal e-mail, and accessing inappropriate websites.

Consequences:

- **1st OFFENSE:** Parents/guardians will be contacted. At the discretion of the Administration, student will be responsible to repair, undo, reset or delete their inappropriate tampering. Should students do damage to school technology, the parent/guardian will be responsible for any necessary repair or replacement costs. Detention, in-school suspension, or out-of-school suspension will be given. Loss of usage of the computer may be applied.
- **2nd OFFENSE:** Access to technology may be rescinded and the student may be subject to expulsion.

DUE PROCESS

All students at CASLV are entitled to the rights guaranteed by the United States Constitution, including the Bill of Rights, and the Nevada Constitution and Nevada Revised Statutes. The student's rights will not knowingly be denied by the required code of conduct, or by any disciplinary actions taken by the school. If the student exhibits any of the "Unacceptable Student Behaviors" listed in this handbook (or added to this list from time to time), the student will be held responsible for his/her actions.

Due to the range of possible behaviors and misconduct (not all of which can be listed out in this Handbook), the Administration reserves the right to adjust the consequences in any particular case, as the administration deems reasonable and appropriate for the given situation. That means that:

- A. There are specific types and examples of misconduct which are not described in this Handbook, but which would subject the student to disciplinary action.
- B. Even where this Handbook describes certain specific consequences for a "1st Offense," "2nd Offense", and "3rd Offense," the administration has the leeway and discretion to consider *any* punishment for *any* offense. The administration can and will consider all (i) mitigating factors and (ii) aggravating factors, as long as it makes a rational, proportional decision under all of the circumstances at issue. For offenses warranting more serious punishments (longer-term suspensions or expulsions), as described below, students will be provided with due process in the form of, for example, notice of the charges, an explanation of the evidence, and an opportunity to be heard, unless the student meets the conditions for immediate removal. See, e.g., NRS 392.467.

These consequences range from notification of the student's parent(s)/guardian(s), detention, and emergency removal from a school activity through suspension, expulsion, and criminal prosecution. All students at CASLV have the right to feel that they are physically, emotionally, and intellectually safe.

- Therefore, if at any time *the student feels he/she is the subject* of bullying, harassment, hazing, threats, or other intimidating behavior, he/she should immediately report the concern to a teacher or an administrator. The situation will be investigated as soon as possible, based upon the severity of the offense, and the student will be informed accordingly. All reports are kept completely confidential.
- Similarly, if the student is concerned about the safety of another student who seems to be the subject of harassment, hazing, or threats, he/she should immediately report the concern to a teacher or an administrator. The situation will be investigated as soon as possible, based upon the severity of the offense, and he/she will be informed of the outcome. All reports are kept completely confidential.
- Students are protected under the right of confidentiality. If a child is involved in a situation at school, the consequences given to the other student cannot be specifically discussed. Please know that the school makes every attempt to hold every student accountable for his/her actions. If the parent/guardian has any concerns, please contact the teacher or administration to have them addressed.
- Students who receive a teacher-assigned consequence need to adhere to the following procedure if they disagree. Speak with the teacher giving the consequence after class, at lunch, or after school when there are no other students that may be distracted. If the student still does not agree with the outcome, he/she needs to set up an appointment with the administration to discuss it further. A meeting will then be set up with the teacher to discuss the situation. If the administration does not change or rescind the consequence, the student then has the option to bring in his/her parents for a meeting with the administration, teacher, and student. If the school still deems it a just consequence, the student is required to serve the consequence as assigned by the teacher.

DEFINITIONS

Following are a list of terms which have been used frequently throughout this document. Students should review these terms with a parent(s)/guardian(s). Questions on the following definitions can be directed to Administration.

- **IN-SCHOOL SUSPENSION (ISS):** ISS takes place over one entire school day, unless otherwise specified. Students who are assigned to ISS for any portion of the school day are not allowed to participate in extra-curricular activities the same day. They must have materials with them to do work when they arrive to the ISS room at the beginning of the day. Students must bring their lunches to school for each day(s) assigned to ISS. Students are to remain quiet and in their seats. They are to communicate with the ISS supervisor only. Students receiving in-school suspension are responsible for obtaining and completing missed work upon their return to school. They will be given the number of days absent from classes to complete assignments. An ISS will be reflected on a discipline report prepared by the administration and may be included in a student's cumulative file.
- **OUT-OF-SCHOOL SUSPENSION (OSS):** The decision to suspend any student will be as follows. (Note, however, that a minor deviation from this procedure will not render the school's decision invalid, unless the deviation involves a breach of the law or a Constitutional protection.)

The behavior/incident in question will be reviewed by the Administration. If the Administration deems suspension to be appropriate and the suspension is 10 days or less, the Administration will provide the student with an on-

the-spot hearing, at which the student may explain his/her actions and provide evidence. If the suspension remains warranted, the administration will give the student written notice of the suspension. The notice shall include the reasons for the suspension and an explanation of the evidence.

The student and his/her parent/guardian may appeal a suspension within one (1) school day of the suspension notice being issued by the Administration. The appeal will be heard by a disciplinary committee made up of four or more persons. If requested in the student's notice of appeal, the disciplinary committee will hold a hearing, which the student and parent/guardian may attend, and which the student may be heard and present evidence. All disciplinary hearings will be held within two (2) school days of the notice of appeal being received by the Administration. The decision of this disciplinary committee is final (unless the suspension is for a period of more than 10 days and the student participates in a special education program, in which case the suspension shall be heard by CASLV's Board).

All CASLV decisions will be made in accordance with NRS 392.466, NRS 392.467 and other applicable statutes, rules, regulations, and case precedents.

- If the student is suspended, he/she will be responsible for obtaining and completing missed work upon his/her return to school. The student may not attend classes until the appeal is heard, but he/she will be able to turn in work for the classes he/she missed while waiting for the appeal, and he/she will receive full credit for that work. **EXPULSION:**

MANDATORY EXPULSIONS: NRS 392.466

- I. Except as otherwise provided in this section, any pupil who commits a battery which results in the bodily injury of an employee of the school or who sells or distributes any controlled substance while on the premises of any public school, at an activity sponsored by a public school or on any school transportation must, for the first occurrence, be suspended or expelled from that school. For a second occurrence, the pupil must be permanently expelled from that school.

DISCIPLINE: EXPULSION PROCEDURES

- I. Expulsion is the removal of a student from school for any of the reasons provided. The procedure for determining whether a student should be recommended for expulsion is set forth below:
 - a. The principal or designee shall report any violation of the law to the appropriate law enforcement agency. Principal, as used in this explanation, means the principal or designee.
 - b. The principal or designee shall suspend the student by use of a "Notice of Suspension" pending further investigation by administration and review of the facts, which may lead to a recommendation for expulsion. A writing (including an email) can constitute that notice even if it does not bear that title.
 - c. Within three (3) school days of the suspension, the principal or designee, must conduct a meeting with the student and the student's parent(s) or legal guardian(s), to discuss the investigation of the incident, the violation of school rules and/or District regulations, and the student's prior discipline history, as well as any information submitted that the parent(s) or legal guardian(s) would like the principal to consider as it relates to the suspension and the possible recommendation for expulsion.
 - d. At the conclusion of the meeting, the disciplinary team shall make a decision regarding the disciplinary action, which may include a recommendation for expulsion. The principal or designee must recommend expulsion if it is determined at the meeting that the student has or is believed to have committed any of the offenses listed as offenses which require a mandatory recommendation for expulsion, or committed any offense which is otherwise a proper and reasonable basis for expulsion under this Handbook, the school's other policies, and/or applicable law or regulations.
- II. If the student is to be recommended for expulsion, the parent(s) or legal guardian(s) must be informed of the due process procedures available. The parent(s) or legal guardian(s) must decide whether to contest or not contest the expulsion and sign a statement to that effect. If the parent does not sign the statement, the expulsion will be treated as a contested expulsion. The parent(s) or legal guardian(s) will be provided in writing with the due process procedures available. These procedures will be provided during the hearing with the principal or designee, or within a reasonable period of time following the written decision.

- III. The following levels of due process are available to the parent(s) or legal guardian(s) of a student who is being recommended for expulsion:
 - a. A meeting will be conducted by the school principal, or designee. The principal will disclose information obtained during the investigation of the incident which resulted in the recommendation for expulsion. This information, as well as the student's prior disciplinary record, will be reviewed with the student and the parent(s) or legal guardian(s). The parent(s) or legal guardian(s) must be allowed to present any information to the principal that the parent(s) or legal guardian(s) would like the principal to consider. The student must also be allowed to be heard regarding the incident resulting in the recommendation for expulsion. Note that this is the same meeting discussed in Section I(c) above.
 - b. The principal shall inform the parent(s) or legal guardian(s) of the decision and must within two (2) school days following the meeting, provide written notice to the parent(s) or legal guardian of the decision regarding the recommended expulsion.
 - c. If the decision to recommend expulsion is upheld by the principal, the principal will forward the required documentation to the Executive Team, within two (2) school days.
 - d. Within three (3) school days of receiving the Site Discipline Committee's recommendation, the Executive Team will review the recommendation to assure compliance with due process procedures and evaluate the appropriateness of the discipline recommended. The Executive Team will determine whether the recommended expulsion should be limited or permanent, or whether a lesser form of punishment (e.g., suspension) is warranted.
 - e. Within two (2) school days after the Executive Team has made a determination, the site Principal or designee, will notify the parent(s) or legal guardian(s) of the recommendation and determination.
 - f. If the decision to recommend expulsion is upheld and the parent(s) or legal guardian(s) decides to contest the expulsion recommendation, the parent(s) or legal guardian(s) must notify the Executive Team, of the intent to contest the recommendation for expulsion within fourteen (14) days of receiving notice of the recommendation for expulsion. A hearing will then be held at the next regularly scheduled board meeting.

SITE DISCIPLINE COMMITTEE

- I. The Site Discipline Committee selected will consist of three (3) members as follows:
 - a. The site Principal
 - b. A site Assistant Principal
 - c. A school counselor
- II. The Site Discipline Committee will make the following determinations:
 - a. What disciplinary offense, if any, has been committed by the student; and
 - b. If the student has committed a disciplinary offense, what is the appropriate consequence and educational placement; and
- III. The Site Discipline Committee must consider the nature of the offense, the student's disciplinary history for one calendar year prior to the recommendation for expulsion, the student's academic record and academic concerns, as well as any district regulations, and state or federal laws.
- IV. If the Site Discipline Committee determines that the student has committed the offense with which the student has been charged, the Committee may decide on:
 - a. Permanent expulsion - Permanent expulsion means permanent removal of a student from school.
 - b. Term expulsion – Term expulsion allows a student to reapply for enrollment after a designated time of separation has been completed.
 - c. A modified plan for school placement.
- V. If the disciplinary offense falls under NRS 392.466, mandatory expulsions, and the Hearing Panel determines that the student did commit the disciplinary offense, the Discipline Committee does not have the authority to modify the expulsion recommendation.
- VI. If the panel upholds the decision to expel the student and the parent(s) or legal guardian(s) does not agree with the decision of the Site Discipline Committee the parent(s), or legal guardian(s) may appeal the decision to the Executive Team.
- VII. An appeal to the Executive Team must be requested in writing and submitted to the Executive Director, or designee no later than fourteen (14) days after receipt of the decision of the Site Discipline Committee.

GOVERNING BOARD

- I. The Governing Board will hear the expulsion matter at a regularly scheduled board meeting.
 - II. A decision of the Governing Board shall be by a majority vote.
 - III. The Governing Board will conduct an evidentiary hearing at which both a school administrator(s) and the student, parent(s) or legal guardian(s), may present evidence, testimony, and argument related to the student's alleged misconduct and the appropriate discipline in view of all the circumstances, including any prior disciplinary intervention(s) by the school. The evidence and testimony may be directed to the incident itself and/or to the character of the student, including, for example, no more than three (3) other persons providing character testimony (only). Such evidence may not include testimony or other evidence regarding the school disciplinary status of other students who may have been involved in that incident or prior incidents. Notwithstanding the foregoing, the President of the Governing Board shall have the discretion to control the hearing process and procedures in whatever reasonable manner he/she decides, as long as the hearing is consistent with applicable laws and constitutional norms of procedural and substantive due process.
 - IV. The student may be represented by legal counsel at the Expulsion Review Board hearing, if the parent(s) or legal guardian(s) so desires, at no expense to the District. The school may be represented by its General Counsel.

 - b. If the student has committed a disciplinary offense, what is the appropriate consequence and educational placement considering the nature of the offense, the student's disciplinary history for one (1) calendar year prior to the date of the subject offense, as well as the student's overall academic record or any other academic concerns.
 - c. If the disciplinary offense falls under Nevada Revised Statute 392.466, mandatory expulsions, and it is determined that the student did commit the disciplinary offense, the Governing Board does not have the authority to modify the expulsion.
 - d. The decision of the Governing Board is final and binding.
- **BEHAVIOR PLANS:** Students exhibiting repeated behaviors will be placed on a behavior plan. This plan is designed to put into place incentives to reward improved behavior and stricter consequences for continued misbehavior. The student, counselor, and administration design the plan together based on tracked misbehaviors. Parent, student, and administration will sign the plan in an effort to work as a team to improve student behaviors. Typical consequences for the behavior plan are 3 or 6-day suspensions and then expulsion if misbehaviors continue. Incentives are received weekly for positive behavior. If a student goes one month straight without misbehavior, they will be taken off the plan, but incentives will be continued.
 - **DISCIPLINE COMMITTEE:** The review of disciplinary matters by the discipline committee is as follows. The assigned administrator presents the necessary information to the committee which is comprised of an impartial group of teachers/staff and the school counselor. The committee's goal is to create an individualized plan for students with repeated misbehavior in an effort to correct the issues involved and to address any severe disciplinary issues referred by the administration.
 - **Executive Director, Principal & ASSISTANT PRINCIPALS:** The Executive Director is the individual who oversees the charter school. The Executive Director is in charge of district communications, financial concerns, teacher hiring/firing, plant facilities, teacher evaluations, report filing, audits, and general governing of all school systems. The Principal is an administrator that works under, as well as with, the Executive Director. The Principal is in charge of district communications, teacher hiring/firing, curriculum development, facilities, teacher evaluations, and managing and facilitating other general school operations. Assistant Principals are administrators who work under, as well as with, the Executive Director and Principal. He/she works together with the Principal in facilitating general school operations, along with teacher evaluations, student discipline and supervision, and general school safety. The Assistant Principal of Student Services should also be your first contact for disciplinary questions or concerns. The School Counselor oversees high school, college, and overall academic advising and counseling.

ADMISSION POLICY

Introduction

Do these Lottery Procedures apply to existing students?

No. All existing students at Coral Academy of Science Las Vegas (“CASLV”) are guaranteed enrollment at CASLV the following year, except in certain extraordinary (and unlikely) circumstances.

(This includes children or legal wards enrolled in a prekindergarten program at CASLV.)

The following procedures apply to those seeking to become new CASLV students.

What is a charter school lottery?

A charter school lottery is a random selection process by which applicants are admitted to a charter school. The lottery ensures that all applicants have an equal chance of being admitted. A charter school must conduct a lottery if more students apply for admission to the charter school than can be admitted (based on the number of open seats).

(If fewer students apply than can be admitted in that grade, then students are accepted in the order in which they applied, and no lottery is necessary. However, that is an extremely unlikely scenario, in CASLV’s case.)

State charter schools are required to adopt and adhere to NRS 388A.453 & 388A.456 detailing how the schools will conduct their lotteries.

What factors are not part of the enrollment process?

By law, CASLV cannot and does not base admission on intellectual ability (e.g., grades), measures of achievement or aptitude (e.g., test scores or interviews), financial strength, or volunteerism, nor may it discriminate on the basis of race, gender, religion, ethnicity, disability, sexual orientation, or gender identity/expression. (NRS 388A.453(6); SPCSA Regulations.)

LOTTERY APPLICATION & PROCEDURE

Who may submit an application?

An application for enrollment in a charter school needs to be submitted by the parent or legal guardian of the child residing in Nevada. (NRS 388A.453(1).)

CASLV will require legal documentation to evidence a legal guardianship.

When is the application window?

The application window for a school year begins on November 1st of the prior school year. All applications that are submitted between November 1st and noon (Pacific time) on February 28th will be included in the lottery to be held on the first business day after the February 28th deadline. Any applications received after noon on February 28th will be subject to an additional lottery if applicable.

Once the school year begins, if the grade in which an application is submitted for is not yet full, a student can be immediately enrolled and receive instruction at the time they seek enrollment. However, if the grade is full, the student’s name is placed in a submitted status and the student’s application will await an additional lottery. The determination of available spaces is based on grade-specific seat capacity and the number of returning CASLV students.

How may a parent/legal guardian submit an application?

To submit an online application, a parent/legal guardian must create an online family account (which will, among other things, make applying for multiple students easier). The link is currently <https://caslv.schoolmint.net/signin>. (If that link does not work, please see the school’s general website for

more information, at <http://www.caslv.org/>.) If you do not have internet access, please feel free to visit any school campus.

Once the family account is created, the parent/legal guardian will need to submit an individual application for each child.

CASLV typically uses email notifications to inform families about the lottery process and results, so we highly encourage you to provide the school with your email account.

How is the lottery conducted?

The lottery will consist of the names of all students whose parent/legal guardian has completed the online application. If more students apply than the building can accommodate, all names are subject to the lottery.

CASLV currently uses special software (licensed by a third party called SchoolMint) to conduct the lottery.

It is important for transparency purposes that CASLV keeps an accurate record of the enrollment lottery. The lottery is video-recorded and original lottery lists from the software system are printed and stored at the school's Central Office.

How will I find out about the lottery results?

Typically, within three business days after the lottery, CASLV will send the results through the application software system (SchoolMint). That notification will typically be by email (to all parents/legal guardians providing email addresses).

Follow-up notifications will also be sent throughout the process, providing additional enrollment information based on a child's application status.

If/when a waitlist is completed for a given grade, another lottery will (later) be conducted to determine the waitlist order of the applicants that have applied after the original deadline. (NRS 388A.453; NRS 388A.456).

Pre-Lottery

CASLV will be well-prepared for the actual lottery event by conducting at least one practice lottery. The practice lottery will be run in front of observers so that the observers may provide feedback. A practice lottery identifies potential issues.

Lottery Priority

Are any students given priority in the enrollment process?

Yes. CASLV's priorities are based on NRS 388A.456. CASLV grants priority status to:

1. A child (or legal ward, in the case of a guardianship) of a person who is (a) employed by CASLV, (b) was a member of the committee to form CASLV, and/or (c) who is a member of the governing body of CASLV.
2. A child or legal ward who is a sibling of a student who is currently enrolled in CASLV. CASLV may exercise discretion in determining who is a "sibling," including recognizing half-siblings, step-siblings, and siblings through adoption, foster parenting, and guardianships. CASLV may request legal documentation to establish a family connection.

CASLV is one single school with many campuses, but in determining whether a student has priority based on his/her sibling, it is important where the siblings go to school. CASLV uses the following special ("feeder school") rules:

- The Tamarus Campus "feeds" into the Windmill Campus.
- The Windmill Campus "feeds" into the Sandy Ridge Campus
- The Eastgate Campus "feeds" into the Sandy Ridge Campus (but only to 8th grade).
- The Centennial and Nellis Campuses "feed" into the Sandy Ridge Campus (but only to 9th grade).

A child only has priority if his/her sibling is in the same feeder-school system. For a more detailed explanation, please contact the school.

CASLV's Nellis AFB campus has three additional priority categories.[1] Consistent with NRS 388A.456(c)(4), CASLV may grant priority to:

3. A child or legal ward who resides on or is employed on a federal military installation, if the charter school is located on the federal military installation. That campus prioritizes, in order, (a) active military (stationed at Nellis AFB or Creech AFB) living on base; (b) active military (stationed at Nellis AFB or Creech AFB) living off base; and (c) DOD employees at Nellis AFB.

WAITLIST

Who is placed on the waitlist? How would they get an open seat?

For each grade, the application software system (currently SchoolMint) will sort applications and assign a waiting list number in a random order to all students who do not "win" an open seat. The students on that list then will be accepted in that order as available spots become open (because, for example, an enrolled or newly-accepted student withdraws or decides not to attend CASLV). The rest of the students will remain on the waiting list in their randomly determined, sequentially numbered waitlist positions.

Parent/Guardian(s) can contact the campus to which they applied for their current waitlist number starting three business days after the lottery.

What happens when a priority student applies late, after the lottery has been held, or a non-priority student becomes a priority student?

CASLV addresses instances in which a student applies after the deadline with a priority status or when a priority status changes. For example, should a student that qualifies for priority status apply after the deadline of the first lottery, that student is not subject to an additional lottery. The applications will automatically go to the bottom of the current priority list for that grade. Or, if one sibling completes registration with CASLV the other sibling will then be granted sibling priority and will move to the bottom of the current sibling priority list.

Post-Lottery Registration

What needs to happen once a student is accepted, and when?

CASLV has a designated time frame for each registration window. (However, if there is an extenuating circumstance prohibiting the parent/guardian from registering in the time frame given by CASLV, staff deferred registration may be granted.) Upon notification of an offer, Parents /guardians have 72 hours to complete all required registration documents. If all documents are not submitted by the stated deadline in the acceptance email, the student's spot will be returned to the lottery. Once school is in session, there will be a 24-hour window to complete student registration. Every effort will be made to contact the parent within that deadline and to provide the parents with prompt and helpful information to ease registration.

[1] Nevada's statutes allow the school to adopt certain other priority categories. None of them is currently in use at CASLV, but the school reserves the right to adopt one or more other permitted categories at any time in the future, with or without advance notice to school applicants.

Applications that contain false information or that do not provide complete information will result in voiding that application or the expulsion of the student when it is realized.
