Coral Academy of Science Las Vegas Fundraiser
Starting January 24, 2020

One of the goals of Coral Academy of Science Las Vegas (CASLV) is to help students have a successful educational experience. In order to do this, regular daily attendance being on time is necessary. It has been shown that frequent absences/tardies affect children’s skill development and may lead to behavioral problems and poor grades.

TARDINESS Per attendance regulations, school time missed due to tardiness could contribute to a student’s total absences. Any student arriving at school after the designated start time is considered tardy.

Parents must sign their child in upon arrival first period. Excessive tardiness may result in a parent conference with administration.
