Please make sure to check siblings on your application so that they can receive sibling priority during the lottery process. Current students do not need to reapply. We will send out re-enrollment information later in the year.

If you have any questions, please feel free contact me at centennialhillsinfo@coralacademylv.org

We are in the process of planning second semester in-person education. Although no final decision has been made, we are proactively planning for students to return when it is safe. In order for us to create a model for students to return, we need to know your plans if and/or when a hybrid model is approved.

Please fill out this survey form even if your child is in K-2 in-person education. If you do not fill out the form, your child will automatically be placed in distance learning. For more information, please see the detailed description on the FORM.

The form will remain open through December 11, 2020, until 5:00 p.m. If you would like to change a selection you already made, you may submit a second response that will replace your first response.
